

# 2nd Grade Newsletter

## What are we learning?

**Reading**—We are starting a new unit on "Kindness". All of the stories will show examples of showing kindness.

**Language Arts**—Your child will be bringing home spelling words every week. The spelling test will always be held on Friday. We are also using graphic organizers or thinking maps to plan out our writing.

**Math**—Your child will start bringing home a "Home Links" homework page every night. (We

will try not to give them on Fridays.) Some of the upcoming chapters include: relations (<, >, =), addition number stories, double facts, and fact families.

**Science**—We are learning about plants in our current unit. The next unit is an animal classification unit.

**Social Studies**—We will begin learning about "Our Community" next week.

### Congratulations ABC Award Winners!

From Mrs. Corley's Class—Kezia Palmer

From Mrs. Oullis' Class—Alaina Soyer

From Mrs. Duncan's Class—Monique Conwell

From Ms. Miller's Class—Jessica Sheffler

From Ms. Caldwell's Class—Aleric Gorski

## 2nd grade

September Newsletter

### Remember

- Your child needs to read for 20 minutes Monday - Thursday.
- Please sign your child's planner every night.

### Important Dates

Book Fair Week 9/15

Open House from 5-7pm 9/18

Progress Reports 9/19

Picture Day 9/25

Field Trip to the Ballet 9/30

## Switching for reading class!

We started to switch classes for reading last Tuesday. Your child will be going to a different teacher for reading everyday.

You will be able to meet your child's reading teacher at Open House.

## Ballet

Please remember to have your child dress nicely on the day of the ballet. It is very cold inside the auditorium; your child might want to bring a sweater.
